**THE STB GROUP HAS A LOT OF SURPRISES IN STORE FOR YOU IN 2010. COME AND DISCOVER THEM..**

**Fonteverde, Grotta Giusti and Bagni di Pisa** are all ideal for your requirements.

Historical buildings with a classical and elegant allure, but also excellent spas where you will be able to appreciate the experience and skill of the therapists and the quality of the treatments. Simple and authentic food with traditional flavours that are sure to win your favour, and kind and welcoming staff who will cater to your every need. And for the new year, we have come up with a host of ideas just for you! Theme packages, sensory experiences and slimming packages are just a few of our more captivating proposals.

In February at **Fonteverde**, we will be celebrating Valentine's Day in the most exclusive and romantic of ways with a package dedicated to all those who are in love. Later in the year, May will be dedicated to all mothers who wish to come to the spa with their daughters, and share with them this wonderful experience.

At **Grotta Giusti**, we are waiting for the daredevils amongst you to engage in a unique experience. After many years, it is again possible to go diving in the underground lake of the Grotta. Scuba diving among the underwater stalactites and rock formations will be simply unforgettable. Then in February, for those of you with a sweet tooth, we propose a package dedicated to "Cioccolosità". The package includes a visit to some of the Valdinievole's master chocolate-makers and some tasty chocolate treatments.

And last but not least, we have **Bagni di Pisa**. Famous for its purifying and slimming programmes, thanks to its collaboration with Professor Aldo Pinchera and the University of Pisa, the Medical Spa will be a reference point for your health and well-being. With packages of twelve, seven and three days, the spa will help you learn how to lead a new and healthier lifestyle. But we will also spoil you. The "Opera & Spa" package is for all opera lovers and connoisseurs of refined taste, allowing you to discover the latest wonders of the Festival Pucciniano di Torre del Lago.

**HAVE NO DOUBT. EVERY MONTH WILL BE THE RIGHT MONTH TO COME AND VISIT US.**
