Today is one week since I was in my beloved Italy. If you want to live a royal/movie star life during your vacation, make sure to arrange a trip with Great Italy Tour. I LOVE this tour operator. From the moment I reached out to Chiara, she arranged the most spectacular itinerary for me and thought of each and every detail to make my experience magical.

We really enjoyed visiting the Bocelli tasting room and meeting various members of the family. Allesandro (Andrea's nephew) was the perfect host and provided great information on the history of the family and the production of the wines. The food and hospitality were perfect, but to our greatest surprise and enjoy we got to meet both Edi (Andrea's mother) and Andrea himself. An unforgettable experience! It was fantastic to hear more about the annual concert in the countryside and get connected to return for this once in a lifetime experience.

Could not have been happier with our experience working with Great Italy Tour.

Our personal driver picked us up at our hotel in Florence. What a fantastic driver they sent! Tony is the best!! Request him, you will be happy you did!

Wonderful day visiting the Bocelli family vineyards and enjoying wine tasting by Alessio Bocelli, nephew of Andrea Bocelli.

Our lunch was delicious. The pasta was the best that we had our 19 days in Italy!

The highlight of our day tour (and entire trip) was getting to meet the Maestro! Thank you Tony! I still can't believe it! Truly a tour of a lifetime!
